NS4100 Fine Textured Anti Slip Vinyl Safety Tape

NS4100 Fine Texture is our barefoot friendly fine textured vinyl which provides firm traction in both wet and dry conditions. This surface provides a comfortable feel to bare skin and enhances the appearance of a wide variety of floor and bathing surfaces. It is supplied with an aggressive, pressure-sensitive adhesive system ideal for indoor slippery-when-wet applications where a mop friendly and non abrasive barefoot friendly surface is required. It is easily installed in seconds to most clean and dry surfaces. Just peel off the release liner and press in place - it's ready immediately. Available in rolls, bathmats, shower mats, strips, and custom die-cuts.

NS4400 Coarse Textured Anti Slip Vinyl Safety Tape

NS4400 Coarse is our coarse textured vinyl which provides anti slip protection in both wet and dry conditions. It is supplied with a pressure-sensitive, adhesive system which is barefoot friendly and suitable for both indoors and out. It is easily installed in seconds to any smooth, clean, dry, oil-free surface including sealed wood, metal, fiberglass and sealed concrete - just peel off the release liner and press into place - it's ready immediately. Available in rolls, bathmats and custom die-cuts.
